The expertise regrouped within Sienna IM is backed by teams formed by around 300 talented people, all animated by a powerful corporate spirit and strongly recognized by investors.

We are European investors and proud of it, operating in a variety of expertise with an effective presence in 8 countries and strong local roots. As a subsidiary of GBL we benefit from a multi-generational time horizon. This mid-long vision of value and the direct seeding of funds by our shareholder give us a unique perspective and alignment of interest with our investors and clients.

Our specialty is to cover all asset classes and offer to our investors relevant investment solutions catering to their needs whatever the market context. As we serve multiple clients (institutional, wealth and retail) we adapt and provide each one with the best and most fitted expertise.

Sienna Investment Managers' strategic vision is more relevant than ever in this new environment, disrupted by the multi-faceted and powerful undergoing transformations into which the world is being rushed. Investment in long-term, real, and private assets is at the heart of the asset allocations favored by investors throughout Europe.

## **Sienna IM acts with conviction to protect the future.**

**In line with its ambition to provide innovative solutions that make sense of investments, over the past two years Sienna IM has developed ESG strategy focusing on climate, biodiversity and DE&I\*, which applies to both its own operations and the companies it finances. In 2025, Sienna IM is entering a new phase in its journey towards net-zero. Short-term greenhouse gas emission reduction targets set by the Group have now been officially validated by the Science-Based Targets initiative (SBTi).**

Groupe Bruxelles Lambert (GBL) is an established investment holding company, with a seventy years old stock exchange listing, a net asset value of €15.4bn, and a market capitalization of €7.9bn at the end of March 2025. GBL is a leading investor in Europe, focused on long-term value creation and relying on a stable and supportive family shareholder base.

**“Our financing and investment choices help shape the face of the economy over the long term. Working for the future means treating the companies we finance as partners.”**

Sienna Investment Managers seeks to challenge the status quo and change mindsets with the firm belief that today's investments shape the communities of tomorrow.

While we naturally strive for performance, we are also committed to focusing on investments that have a positive impact. In the current environment, investors are looking for more than results; their asset manager must commit to making a difference, while anticipating, analyzing, and managing risk in a judicious and agile manner.

Supported by our shareholder GBL, our DNA is European. We value entrepreneurial spirit and we search for long term vision that is forward thinking and ambitious, while keeping in mind our thoroughness and a sense of service.

We operate in 8 countries, managing over €40bn. We align our interests with our clients' as we invest on behalf of institutions and private clients.

# Areas of expertise

## Listed Assets

Our Listed Assets \*\* expertise is a pioneer of responsible finance. It covers equity, bonds, money market, allocation & multi-asset and hybrid strategies, and guides leading institutional and private investors in the field of employee savings, retirement savings and life insurance, mainly in Europe.

## Real Estate

Our Real Estate experts manage assets combining a wide range of expertise across the sector, from Private to Listed investments and from Equity to Debt. We serve local and international investors through funds, mandates and club-deals and are able to seize the most appropriate investment opportunities across geographies and asset class covered. We manage an extensive portfolio consisting of circa 100 properties, ranging from office to logistics to life sciences.

## Private Credit

Our Private Credit\*\*\* expertise, a specialist in private asset management in Europe since 2012, offers institutional investors innovative products that finance the real economy.

The funds raised finance European mid-market players and help them to develop sustainably. The Private Credit expertise is present through a range of strategies (financing real assets, direct loans to companies or liquid credit).

## Hybrid Assets

A pioneer in hybrid investment strategies, Sienna IM provides private investors with differentiated solutions combining traditional listed assets with unlisted assets (such as private debt, private equity, infrastructure and property) as part of a strategic allocation. This innovative concept is at the heart of our multi-expertise business model. It helps to reconcile the need to finance the economy and the need for yield over the medium to long term, with the added bonus of lower volatility.
